9.	Antharasanthe	.. 31st May 1935.
10.	Saragur	.. 1st June 1935.

Notification dated 13th May 1935.

Sealed tenders are invited for carting of timber from the State Forest Coupes of Gundlupet and Hunsur Ranges of the Mysore District, as noted in the annexed schedule, to the depots as noted in the subsequent paras and in the schedule.

2. The tenders should be addressed to the District Forest Officer, Mysore District, so as to reach him on or before 17th June 1935, at 12 noon. Any tender received after the abovementioned date will not be taken notice of.

3. Each tender should be accompanied by an earnest money of Rs. 50 in currency notes and should be registered, insured and superscribed "Tender for carting timber."

4. The right of accepting or rejecting any tender is vested in the Chief Conservator of Forests who is not bound to assign any reason for accepting or rejecting the highest or lowest tender. The rate to be offered should be per cubic foot and for each depot. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer, within a week of the intimation given to him or them binding to observe the following conditions, in default of which, the contract is liable to be cancelled and the earnest money forfeited to Government.

5. In fulfilment of the terms of the contract, he or they shall deposit in the Government Savings Bank a sum of rupees two hundred (Rs. 200) in the name of the District Forest Officer. The amount is liable to be forfeited to Government for the breach of any or all the conditions of the agreement and the contract cancelled.

6. The earnest money of the successful tenderer or tenderers will be retained towards a portion of the security for the fulfilment of the terms of the contract after the bond is executed and of others will be returned to the parties concerned.

7. The appended schedule shows the quantities of timber in each coupe.

Conditions.

(*a*) All good and sound timber of coupes passed by the respective Range Officers should be carted to the Depots as noted in the schedule given below :—

(*b*) The contract is for a period of one year from the date of sanction to the end of June 1936.

(*c*) The minimum quantities to be carted to depots by the contractor will be as follows :—

One-fourth of the contracted quantity by the end of November 1935, one-half of the contracted quantity by the end of December 1935, and the remaining by the end of February 1936. Failure on the part of the contractor to cart the timber as noted above entails the forfeiture of the whole, or such portion of the security, as the District Forest Officer may deem fit. If the carting work of the contractor is slack and that in the opinion of the District Forest Officer the contractor is not likely to discharge his obligations, the District Forest Officer will at once cancel the contract, forfeit the security and make other arrangements for the carting of timber.

(*d*) No timber should be removed from the forest without obtaining a pass-port from the Forest Range Officer or such other forest subordinate duly authorised by him.

(*e*) All timber for which pass-ports have been obtained should be delivered in the depot, at the latest, within one month of the issue of such passes. Any timber not reaching the depot within the above period will be treated as lost, and the value thereof will be recovered at the depot rates from the contractor from the amount of the next bill due to him.

(*f*) In the matter of consigning different kinds of timber from time to time, the contractor shall abide by the instructions of the Range Officer.

(*g*) The contractor during the currency of his contract shall not take up any other similar contract.

(*h*) The Range Officer at the beginning of each period mentioned in clause (*c*) will inform, in writing, the contractor the quantity of timber available for carting.

(*i*) The contractor shall abide by the rules of the Department as regards kindling of the fires and hold himself responsible for any offence committed by him or his agent, employees or cartmen.

(*j*) The security furnished will be returned to the contractor three months after the expiry of the contract period if the whole or any portion of it is not forfeited to Government by the violation of any of the terms of the contract as also satisfying that no timber is outstanding against the contractor.

(*k*) Other conditions, if necessary, will be imposed in the bond to be executed.

ENGINEERING DEPARTMENT

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 11th May 1935.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M., on 4th June 1935, for constructing drains in Kolar Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1935.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M., and 5 P.M., on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for constructing drains in Kolar Town" in default of which, the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Health in Mysore who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department of those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Director of Health will be final and legally binding.
